Wong Swee Tiam

Chemical Technician | Experience: 2.0 Years
Email: swee.tiam.wong@malaysia-chem.example.com | Contact: +60 12-345 6789
Education: Bachelor of Chemical Technology | Universiti Teknologi Malaysia

TARGET DOMAINS

- Chemical Quality Control
- Laboratory Analytical Operations

CORE SKILLS & COMPETENCIES

* Operations Monitoring
* Quality Control Analysis
* SOP Inspection
* Lab Data Digital Logging
* System Evaluation

PROFESSIONAL WORK EXPERIENCE

Chemical Process Technician - Petronas Chemicals Derivative Facility (2.0 Years)

- Conducted regular operations monitoring across continuous distillation and reactor units.
- Performed routine quality control analysis on polymer intermediates and industrial effluent.
- Applied complex problem solving to resolve process variable shifts and flow deviations.
- Prepared analytical logging and compliance documentation under ISO 9001 and ISO 14001.
